## Day Center Happenings

This month we welcomed Spring and had our first farmers market of the season. Participants were given a recipe for a vegetable soup with the necessary ingredients to make it. Yum! Thanks to the Catawba Science Center, we were able to enjoy the Solar Eclipse with our special viewing glasses and even enjoyed a moon pie as a special snack.

Participants got to take home a new friend this month after having our Adopt-A-Pet event, where everyone got to pick out a fuzzy friend to take home and love on.

And, to round out the month we celebrated National Pajama Day, where both staff and participants had the opportunity to wear pajamas to PACE for the entire day!

## WHY CALL ON-CALL FIRST?

- **AVOID UNNECESSARY ER VISITS:** We're here to help 24/7, providing faster care than the Emergency Room for non-emergencies. You can also avoid exposure to viruses like the flu and COVID.
- **QUICK AND EASY:** A single call to 828-468-3980 can connect you with our experienced medical team-people you know and who know your medical history.
- **STAY COMFORTABLE AT HOME:** Many issues can be resolved without leaving your home. We can prescribe medications and have them available in less than 24 hours.

### WHEN TO CALL 911...

- **Loss of consciousness**
- **Severe chest pain**
- **Stroke-like symptoms**
- **Low oxygen & Shortness of Breath**

**The Adult Day Health Center is open Monday-Friday 8am-5pm. Our On-Call team is available after hours and on holidays.**
